We as a group are an affiliate group of the Military Vehicle Preservation Association, and abide by it's guidelines for mission and action. We encourage anyone with interest, whether they own a military vehicle or not, to become involved to the level that they are able.

We also encourage all members to join the Military Vehicle Preservation Association, which is the national club representing us all before lawmakers when legislation is considered affecting our hobby.

This club is a State of Washington 501c (10) non-profit organization.
